

# explore your family-building benefits

University of California partners with WIN to provide inclusive family-building solutions and compassionate guidance from our Nurse Care Advocates, helping you navigate your care while becoming a meaningful part of your support system **no matter where your journey takes you.**

**Eligible University of California members receive:**

## Fertility Benefit

**2-cycle\*** lifetime maximum benefit toward eligible expenses related to fertility treatment and fertility medications.

\*A "cycle" is defined by this plan as ovarian stimulation with egg(s) retrieval. Member's will have coverage for two (2) egg retrieval cycles with fertilization of eggs and subsequent embryo transfer for all embryos created from a covered cycle. Once a member has completed two (2) cycles of IVF-egg retrievals, the lifetime benefit maximum has been reached for all infertility related services, including Intrauterine Insemination (IUI) services.

# here for you.

**WIN provides individualized support to help you navigate your family-building journey.**

## Including:

### **Ongoing Nurse Care Advocate support**

Including education, guidance, and behavioral health support to help you each step of the way.

### **Assistance selecting an in-network provider**

Based on your individual treatment needs, goals, and preferences. Members are strongly encouraged to receive fertility care from WIN network provider. If you choose to receive fertility services from a provider not in WIN's network, the provider may bill charges that exceed the plan's allowed amount. In such cases, you are responsible for the difference between the billed charge and the allowed charge, in addition to any plan benefit cost sharing (deductibles, copays, and coinsurance).

### **Coordination of your prescriptions through WIN's mail order pharmacy**

Fertility-related medications are only available through WIN's mail order pharmacy. These prescriptions are coordinated through your WIN Nurse Care Advocate and WIN's pharmacy to ensure timely delivery and proper management of your treatment plan. Fertility medications are not covered under your UC pharmacy benefit and cannot be obtained through other mail order or retail pharmacies.

### **Expertise in understanding complex information**

Such as common causes, testing and treatment options, as well as medication guidance.

### **Convenient nurse access through the WINFamily App**

Schedule consults with your WIN nurse and get instant clinical support directly in the app.
