CALL 911 IF YOU ARE HAVING A MEDICAL EMERGENCY. Accolade and its affiliates ("Accolade") are not an emergency medical service.

*Accolade provides a personalized healthcare information service to support you to better understand and utilize your benefits, receive information from expert medical resources, and facilitate your access to medical care from various healthcare professionals, including virtual medical care services. Virtual medical care services offered by Accolade are provided through independent professional medical practices, including under the Accolade Care brand, to which Accolade provides various platform and related services.
